ANSEP SUMMER BRIDGE

What is the ANSEP Summer Bridge?

The ANSEP [Summer Bridge](#) focuses on developing students academically, socially and professionally for college and careers. Summer Bridge students enroll in a college math course and work a paid summer internship in the engineering or science field with one of the [ANSEP Strategic Partners](#). All costs associated with the program are covered by ANSEP. Students who successfully complete their college math class and internship are eligible for scholarship funding to attend the University of Alaska, the fall immediately following Summer Bridge.

What are the benefits of the Summer Bridge?

- Earn money for college
- Earn college credits
- Professional engineering & science experience
- Learn to navigate the University campus
- Lifelong friendships with fellow students

Who should apply to the ANSEP Summer Bridge?

- Graduating high school seniors
- Interest in engineering or science careers
- Underserved/Underrepresented population
- Wants to earn money for college
- Planning to attend the University of Alaska (preferred)

Where and when will the ANSEP Summer Bridge occur?

The ANSEP Summer Bridge Component is 10-weeks long and held at the [University of Alaska Anchorage](#) (UAA) campus. Students will be housed on the UAA campus for the duration of the component. The ANSEP Summer Bridge will take place from May 27 to August 4.

Accuplacer Math Test Information

Acceptance in the ANSEP Summer Bridge is determined by placement into one of the college-level math courses. Students who are taking college-level math classes for the first time must demonstrate their math level through college placement test scores. Math class placement is determined by the following chart:

Math Course	Score		Other Test Scores (SBA, ACT, SAT)
	Elementary Algebra	College Algebra	
MATH A105 - Intermediate Algebra	70 +	0 to 49	Not Accepted
MATH A151 - College Algebra for Calculus	-	50 to 59	
MATH A152 - Trigonometry	-	60 to 69	
MATH A251 - Calculus I	-	80 +	
MATH A252 - Calculus II	Successful completion of MATH A251		
MATH A253 - Calculus III	Successful completion of MATH A252		

For more information on the Math Accuplacer Test visit the [UAA Advising and Testing Center](#) website. (Web search for “UAA Accuplacer”) ****Note: A minimum placement into MATH A105 is required.**
